

CORE 2 SUCCESS

COURSE DESCRIPTION

“Our Core 2 Success course is perfect for individuals who are seeking to understand and develop a range of core skills that employers have identified as the most important ingredient for them in finding the right person for jobs.

Individuals on our C2S programme will explore the different core skills that are deemed most relevant to different industries and take part in a range of practical and interactive tasks and challenges to put their own core skills to the test and develop these skills and enhance employability.

Participants work within a small group of like-minded candidates and are led by one of our friendly tutors. The aim of the course is to support individuals to identify their core skills and link them to a suitable job, focus will also be placed on transferable skills and how this can open up new opportunities”
