

EXTENDED ADVANCED SPORTS COACHING ACADEMY

COURSE DESCRIPTION

Our extended advanced sports coaching programme allows participants to extend their learning and qualification to reach Diploma level over a second year of learning. Participants will extend learning into understanding sports injuries and assessing risk whilst developing core skills linked to sport further. This is a fantastic option for people that are considering university as a future option. Those that have not yet reached minimum Maths or English qualifications will have additional lessons in these subjects to enhance their grades to support future university or further learning applications.
