

# FOUNDATION SKILLS ACADEMY

## COURSE DESCRIPTION

Our foundation skills academy course is the perfect choice for those that are unsure as to what their next steps are or that have not quite secured the grades to move straight in to a vocational course. The course will provide a valuable stepping stone to support you focus on your own areas of strength and areas for development to prepare you in the most effective way to succeed in your chosen career path whatever that may be. All participants will also study maths and english where they do not currently have a L2 or above and as such this is a great option for those seeking a potential route into higher level vocational courses or traineeship/apprenticeships where maths and english is a pre requisite.
