

# INTERMEDIATE SPORTS COACHING ACADEMY

## COURSE DESCRIPTION

Our intermediate Sports Coaching Academy is the perfect qualification for those that love sport and would like to either explore sport as a career or for those that wish to develop core skills that are applicable to all industries through sport. Participants will take part in a range of practical and theory sports sessions, take part in work experience and undertake regular self development sessions with their tutor. Those that have not yet achieved minimum Maths or English GCSE qualifications will have additional lessons in these subjects to enhance their grades so this is a great option for those seeking potential routes in to higher level courses or traineeship/apprenticeship where maths and english are a pre requisite.
